

School Site - Parking

Visitor Parking at Woldgate

Due to the physical capacity of the car park here, it can sometimes be impossible to find a parking place between 8.30am and 4.30pm. This is a situation over which we have no control.

On occasions, such as Open Evenings, we will endeavour to increase parking capacity by making the tennis courts and rear playground available for visitors to park their vehicles.

When visiting the school, it may be tempting to drive up and over the verge in an effort to park. We wish to remind our visitors that where a roadside pavement is crossed to reach such a parking place the owner may well be in breach of the law and facing a potential penalty.

Parking on roads within the housing opposite the school is also subject to control. Signs next to and lines on the roads indicate the nature of these conditions.

Out of courtesy when visiting the school, please ensure that you do not block the driveways of our neighbours opposite the school.

Picking-up and Dropping-off Pupils or Students by Car

We are very concerned about ensuring the safety of all those who come to Woldgate. The school car park is extremely busy at the start and end of the day, with many people moving about on foot, on bicycles or in vehicles.

Congestion at these times can lead to increased levels of personal risk and in order to minimise this we urge that should you need to drop-off or pick-up your child at these times you do so a little distance away from the site.

This will help to maintain the safety of those who are on the site and ensure delays to you or the bus drivers is minimised.
